

Supporting Role Opportunities

[The Care Portal](#) is an online engagement tool that brings the needs of hurting children and families in your community to your attention. Child Welfare request workers uncover the needs. The Care Portal makes you (the Church) aware, giving a timely invitation and opportunity to respond. Contact: Anna Blake / annagetshermail@gmail.com / 816-536-8333

[CASA](#) of Travis County speaks up for children who've been abused or neglected by empowering our community to volunteer as advocates for them in the court system. A judge appoints a trained CASA volunteer to make independent and informed recommendations in the child's best interest. Contact: Cruz Correa / CCorrea@casatravis.org / 512-539-265

[Project Care Case](#) Give a suitcase with clothing, pillow, blanket and Bible to a child in foster care so they have something to call their own.

[Austin Angels](#) Love Boxes are packed monthly to give to foster families to encourage them and give them much needed material support when caring for foster care children.

[Fostering Angels](#) Provide children in foster care basic needs and life-enhancing experiences like birthday parties and camp.

[Partnerships for Children](#) Contribute to the Rainbow Room, a clothes and toy closet for social workers to access to give kids in need, or volunteer to be a mentor to an aged out youth.
